The British Journal of Psychiatry is published monthly under the auspices of the Royal College of Psychiatrists. The Journal publishes original work in all fields of psychiatry. All communications, including manuscripts for publication, should be sent to The Editor, British Journal of Psychiatry, 17 Belgrave Square, London SW1X 8PG.

Full instructions to authors are given at the front of the August 1991 issue.

Two copies of the manuscript should be submitted and the author should retain a copy. Articles must be typed on one side of the paper only, double spaced with wide margins. Contributions are accepted for publication on the condition that their substance has not been published or submitted for publication elsewhere. The Journal does not hold itself responsible for statements made by contributors. Unless so stated, material in the Journal does not necessarily reflect the views of the Editor or the Royal College of Psychiatrists.
